Report to: Outer East Community Committee

Report author: Hannah Roden

Date: 11 December 18

To note

Smart Leeds

Purpose of report

To provide the Outer East Community Committee with an update on the Smart Leeds programme which is Leeds City Council's approach to become a Smart City.

Main issues

The presentation will outline the following:

- What a Smart City is
- The foundations required to be a smart city
- The priorities for the council
- Work that is already underway
- Actions we are looking to take in the future.
- Feedback will be sought on the above – do the committee agree with the approach we are taking, are there any specific challenges that they feel we should be focussing on?
- Details of our innovation lab and ask for volunteers to join.
