

Project Name	Re roofing Tyersal Club
Amount applied for	£9,450
Lead Organisation	Tyersal Residents Association Community Centre
Ward/Neighbourhood	Pudsey

Community Plan Objective	Best City for Communities
---------------------------------	---------------------------

Project Summary
Re-roofing the roof to make safe, as without this the club will close which will have a negative impact on the community, much work is been done to increase activities and members of the club so that local resident have a place to go to meet new people and feel safe. The funding will pay for rubberised membrane to replace the roof, 210 sq/m in total. Without this club the local Youth Project run by Social Services will not be able to continue.

When will the project run?
5 th November 2019 to 5 th February 2020

Targets for the project and how success will be measured
To successfully replace the roof to make it safe

How the project will be promoted and/or participation encouraged
The children's centre use facebook, fliers, word of mouth and outreach (provided to targeted individuals) to promote their courses. Due to the success of previous courses we already have a waiting list of people who would like to attend the next complimentary therapies and first aid courses that we will run.

Exit strategy/How the project will continue after the funding
Without this funding the club will soon have to close as the roof is becoming unsafe.

Other organisations involved
Brian Farrar – B M Farrar Joinery Builder carrying out the work
