Inner East Community Committee - Finance Report

Purpose of report

1. This report provides the Community Committee with an update on the budget position for the Wellbeing Fund, Youth Activity Fund, Capital Budget, as well as the Community Infrastructure Levy Budget for 2022/2023.

Main issues

2. Each Community Committee has been allocated a Wellbeing budget (revenue and capital) and Youth Activities Fund which it is responsible for administering. The aim of these budgets is to support the social, economic and environmental wellbeing of the area and provide a range of activities for children and young people, by using the funding to support projects that contribute towards the delivery of local priorities.
3. A group applying to the Wellbeing Fund must fulfil various eligibility criteria, including evidencing appropriate management arrangements and financial controls are in place; have relevant policies to comply with legislation and best practice e.g. safeguarding and equal opportunities and be unable to cover the costs of the project from other funds.
4. Wellbeing funding cannot be paid retrospectively. An application form must be submitted and approved by the Community Committee before activities or items being purchased through wellbeing funding are completed or purchased.
5. The amount of wellbeing funding provided to each committee is calculated using a formula agreed by Council, taking into consideration both population and deprivation of an area.

6. Capital (CRIS) injections are provided as a result of council assets being sold. 5% of the sale price (up to a maximum of £100k) of a council asset is pooled city-wide and redistributed to the Community Committee areas on the basis of deprivation. The Community Committee will receive a new capital injection every 6 months.
7. Each Community Committee has also been allocated a Community Infrastructure Levy budget. For each CIL contribution, Leeds City Council retains up to 70-80% centrally, 5% is needed for administration and 15-25% goes to be spent locally. The money will be vested with the local Town or Parish Council if applicable, or with the local Community Committee and spend decided upon by that body. This local money is known as the 'Neighbourhood Fund' and should be spent on similar projects to the Wellbeing Fund (capital).
8. The Inner East Community Committee area has no Parish or Town Councils. This means that the money for the Inner East will be administered by the Inner East Community Committee. It was agreed at Inner East Community Committee on the 25th September 2019 that CIL monies for Burmantofts & Richmond Hill, Gipton & Harehills and Killingbeck & Seacroft would be split equally three-ways.
9. The Communities Team work with members of the Community Committee to develop a plan to spend CIL funding on local infrastructure projects. This is on a case-by-case basis.
10. Projects eligible for funding by the Community Committee could be community events; environmental improvements; crime prevention initiatives, or opportunities for sport and healthy activities for all ages. In line with the Equality Act 2010, projects funded at public expense should provide services to citizens irrespective of their religion, gender reassignment, marital status, race, ethnic origin, age, sexual orientation or disability; the fund cannot be used to support an organisation's regular business running costs; it cannot fund projects promoting political or religious viewpoints to the exclusion of others; projects must represent good value for money and follow Leeds City Council Financial Regulations and the Council's Spending Money Wisely policy; applications should provide, where possible, three quotes for any works planned and demonstrate how the cost of the project is relative to the scale of beneficiaries; the fund cannot support projects which directly result in the business interests of any members of the organisation making a profit.
11. Any request for funding would involve discussions with appropriate ward members. Where projects do not have support from the Community Committee and are not approved, applicants are offered further discussions and feedback if this is requested.
12. In order to provide further assurance and transparency of all decisions made by the Community Committee, any projects that are not approved will be reported to a subsequent Community Committee meeting.
13. Sometimes urgent decisions may need to be made in between formal Community Committee meetings regarding the administration of wellbeing and youth activity budgets and also regarding the use of the Community Infrastructure Levy (CIL) Neighbourhood Fund which has been allocated to the Community Committee. Alongside the Committee, designated officers have delegated authority from the Director of Communities and Environment to take such decisions.

14. The Community Committee has previously approved the following 'minimum conditions' in order to reassure Members that all delegated decisions would be taken within an appropriate governance framework, with appropriate Member consultation and only when the following 'minimum conditions' have been satisfied:

- a) consultation must be undertaken with all committee/relevant ward members prior to a delegated decision being taken.
- b) a delegated decision must have support from a majority of the Community Committee elected members represented on the committee (or in the case of funds delegated by a Community Committee to individual wards, a majority of the ward councillors), and
- c) details of any decisions taken under such delegated authority will be reported to the next available Community Committee meeting for members' information.

15. Members are reminded that the necessary scrutiny of applications to satisfy our own processes, financial regulations and audit requires the deadline for receipt of completed applications to be at least five weeks prior to any Community Committee. Some applications will be approved via Delegated Decision Notice (DDN) following consultation with Members outside of the Community Committee meeting cycle.

Wellbeing Budget Position 2022/2023

16. The total revenue budget approved by Executive Board for 2022/2023 was **£191,950.00** which is the same as the previous year.

17. **Table 1** shows a carry forward figure of **£290,331.96** which includes underspends from projects completed in 2021/2022. **£106,437.43** represents wellbeing which is unallocated from 2021/22 and will be added to the income from 2022/2023. The total revenue funding available to the Community Committee for 2022/2023 is therefore **£298,387.43**.

18. It is possible that some of the projects may not use their allocated spend. This could be for several reasons, including the project no longer going ahead, the project not taking place within the dates specified in the funding agreement, or failure to submit monitoring reports. Due to this the final revenue balance may be greater than the amount specified in Table 1.

19. The Community Committee is asked to note that there is currently a remaining balance of **£69,031.45**. This figure includes any underspend from projects. A full breakdown of the projects is listed in **Table 1** and is available on request.

Projects for consideration and approval

The following projects are presented for Members' consideration

20. **Project title:** We Are Seacroft Provision (top up)

Name of organisation: LS14 Trust (on behalf of We Are Seacroft)

Total project cost: £60,000

Amount proposed: £6,000 (Wellbeing)

Wards covered: Killingbeck & Seacroft

Project summary: This grant will be used to support a range of provisions delivered by organisations within the We Are Seacroft collective. The collective is committed to supporting each other to address areas of need, rather than competing to access funding.

Community Committee Plan Priorities/Objectives:

- Reduce health inequalities, promote healthy lifestyles and reduce social isolation
- Improving mental health
- Building strong, cohesive communities
- Reducing financial hardship

21. **Project title:** Nowells Mount Community Centre Teatime Club

Name of organisation: YMAV Youth Movement Against Violence cic

Total project cost: £12,114.70

Amount proposed: £6,410 (Wellbeing)

Wards covered: Burmantofts & Richmond Hill

Project summary: Teatime club to take place on Thursdays from 3-5pm to provide deprived families with hot meals and a warm space.

Community Committee Plan Priorities/Objectives:

- Health & Wellbeing
- Better Lives and Resilient Communities

22. **Project title:** Safer Sleeping Project

Name of organisation: Leeds City Council

Total project cost: £2,000

Amount proposed: £2,000 (Wellbeing)

Wards covered: Gipton & Harehills, Burmantofts & Richmond Hill

Project summary: To provide Moses baskets for deprived children who otherwise would have no safe place to sleep. Without the basket provision there would be a gap in support for parents. The scheme is able to respond quickly due to The Compton Centre, Children's Centre and Health professionals working together very well. It is a new way of supporting families through utilising the community hub.

Community Committee Plan Priorities/Objectives:

- Be safe and feel safe
- Keeping people safe from harm
- Supporting communities, raising aspirations
- Supporting children to have the best start in life

23. **Project title:** Inner East Youth Summit

Name of organisation: Leeds City Council

Total project cost: £1,800

Amount proposed: £1,800 (£600 YAF per ward)

Wards covered: Burmantofts & Richmond Hill, Gipton & Harehills, Killingbeck & Seacroft

Project summary: To cover the costs of the Inner East Youth Summit

Community Committee Plan Priorities/Objectives:

- Best City for children

24. **Project title:** Little Library Lincoln Green

Name of organisation: Touchstone

Total project cost: £1,300

Amount proposed: £1,000(Wellbeing)

Wards covered: Burmantofts & Richmond Hill

Project summary: To install a little library on Cromwell Street for the residents of Lincoln Green

Community Committee Plan Priorities/Objectives:

- Provide activities for young people and give them a voice and influence
- Supporting families.
- Raising aspirations.
- Improving skills.
- Improving the Local environment.

25. **Project title:** Harehills Lane Action Team Start UP

Name of organisation: Harehills Lane Action Team

Total project cost: £7,000

Amount proposed: £7,000

Wards covered: Burmantofts & Richmond Hill, Gipton & Harehills

Project summary: Establishing a team of project managers and volunteers to support building a vibrant, creative and welcoming locality that locals and visitors enjoy, engage with and feel proud of.

Community Committee Plan Priorities/Objectives:

- Supporting Healthy Lifestyles
- Improving mental health
- Integrating health and social care
- Reduce health inequalities, promote
- healthy lifestyles and reduce social isolation

26. Project title: West Yorkshire Fire Youth Intervention's programmes

Name of organisation: West Yorkshire Fire & Rescue Service

Total project cost: £9,685

Amount proposed: £4,842.50

Wards covered: Killingbeck & Seacroft

Project summary:

2 x Grit programmes (Cost £1,820 each)

- **2.5 hours a week for 10 weeks, up to 10 young people.**

An intervention aimed at Secondary school young people around gaining resilience in teams. Covering all aspects of the fire service, community safety, personal skills development and positive decision making in the future.

3 x Shout/Firefit (Cost £975 each)

- **2 hours a week for 6 weeks, up to 10 young people.**

Shout and Firefit are both aimed at Primary school young people (although Firefit can be developed for Secondary school). Both programmes develop confidence and teamwork skills, looking at drillsquare activities using the firefighting equipment for challenging activities. Learning is around all fire and community safety aspects, as well as physical and mental health development.

6 x TID's (Action Strike Back or Fast, Furious and Fatal) (Cost £520 each)

- **5 hour 1-day session, up to 10 young people.**

These days are aimed at all age groups but specifically those young people who are most at risk of becoming disengaged with education and society through ASB or dangerous driving. The day will challenge young people's perceptions and ask them to take responsibility for their actions.

All young people are fitted out in full Fire Kit for the days and use a dedicated Youth Fire Engine. They learn practical fire-fighting skills, such as use of pumps and hoses, so they can lead in team building scenarios which simulate the fire service's response to incidents associated with criminal activity such as attacks of fire fighters.

All the interventions are looking to be delivered at Killingbeck Fire Station.

Funding will pay for the Youth Trainer, the Youth Instructor and a small fee for resources (healthy snack, stationery, laundry of kit, coordination time/admin fee). No profit will be made through our costs.

Community Committee Plan Priorities/Objectives:

- Best City for Communities and Best City for Children & Young People

27. Project title: Connecting Crossgates Community Fridge

Name of organisation: Connecting Crossgates

Total project cost: £4,469.50

Amount proposed: £2,949.50 (£1,033.00 from Inner East)

Wards covered: Killingbeck & Seacroft

Project summary: The grant will be used for running costs for 3 months for the Connecting Crossgates Community Fridge

Community Committee Plan Priorities/Objectives:

- Best City for Communities
- Best City for Health & Wellbeing

30. Monitoring Information

Lincoln Greening

Wellbeing funding has enabled Mafwa Theatre to host weekly gardening workshops at Roxby Close, LS9 7LR.

'Lincoln Greeners' is a sustainable weekly gardening group held every Tuesday, 1-3pm. The group is free and open to all and is an opportunity for local residents to learn new skills, make friends, transform their neighbourhood and create a communal green space with an edible garden for all to enjoy.

Meeting the agreed project outputs

Of participants who completed the end of project questionnaire:

- 100% stated that attending Lincoln Greeners sessions improved their mental health (target 30%)
- 75% reported feeling more confident after Lincoln Greeners sessions (target 50%)
- 100% reported that they got to know someone new from a different community (target 40%)
- 50% reported an increase in confidence in speaking English (target 20%)
- 100% or more positive feedback from local residents in post project questionnaire (target 50%)
- 25% started training, 75% started volunteering and 25% felt more confident looking for work (target 10% progression towards employment)

65% of participants were new to Mafwa Theatre. Of the new participants, at the time of writing 6 have started to engage in other Mafwa activities; attending trips to the theatre (attending Leeds Playhouse for the first time), attending our weekly women's group and contributing to our Friends of Mafwa steering group.

Operation Dieselcrest

Under Dieselcrest, 3 dedicated officers were deployed, including one Officer dedicated to CCTV to maximise the intelligence led deployment.

Other units were deployed across the East including Roads Policing unit's vehicle and motorbikes, the off-road bike team and NPT officers, inclusive of a crime prevention event in the am at Squires Café, an officer placed in LeedsWatch in the evening and officers strategically placed across the ward to monitor motorcycle movements and gather intelligence.

During the operation there were three fail to stops one of which was located and seized, in addition a stolen vehicle was recovered, and one motorbike seized for driving offences.

A traffic offence report was issued for a driving offence and there was a strong visible presence across the wards.

There were no nuisance motorcycle reports from the public during the operation, which is unusual for a Saturday evening so the presence of the officers will have likely circulated quickly across the communities.

To date as part of Op Dieselcrest there has been several arrests, numerous motorcycles seized, disruption visits conducted, intelligence gathered and further work and plans are in place, to obtain and execute warrants and hold further days of action.

Due to the inclement weather, the smart water could not be deployed (rain reduces its effectiveness) however it's been issued to local off-road bike officers to continue to deploy in furtherance of Dieselcrest and vision zero.

Youth Activities Fund Position 2022/2023

Corporate Considerations

Consultation and Engagement

37. The Community Committee has previously been consulted on the projects detailed within the report.

Equality and Diversity/Cohesion and Integration

38. All wellbeing funded projects are assessed in relation to Equality, Diversity, Cohesion and Integration. In addition, the Communities Team ensures that the wellbeing process complies with all relevant policies and legislation.

Council Policies and City Priorities

39. Projects submitted to the Community Committee for wellbeing funding are assessed to ensure that they are in line with Council and City priorities as set out in the following documents:

1. Vision for Leeds 2011 – 30
2. Best City Plan
3. Health and Wellbeing City Priorities Plan
4. Children and Young People's Plan
5. Safer and Stronger Communities Plan
6. Leeds Inclusive Growth Strategy

Resources and Value for Money

40. Aligning the distribution of community wellbeing funding to local priorities will help to ensure that the maximum benefit can be provided.

Legal Implications, Access to Information and Call In

41. There are no legal implications or access to information issues. This report is not subject to call in.

Risk Management

42. Risk implications and mitigation are considered on all wellbeing applications. Projects are assessed to ensure that applicants are able to deliver the intended benefits.

Conclusion

43. The Finance Report provides up to date information on the Community Committee's budget position.
